SEC. 2. FINDINGS.

The Congress finds the following:

(1) The American credit union movement began as a cooperative effort to serve the productive and provident credit needs of individuals of modest means.

(2) Credit unions continue to fulfill this public purpose, and current members and membership groups should not face divestiture from the financial services institution of their choice as a result of recent court action.

(3) To promote thrift and credit extension, a meaningful affinity and bond among members, manifested by a commonality of routine interaction, shared and related work experiences, interests, or activities, or the maintenance of an otherwise well-understood sense of cohesion or identity is essential to the fulfillment of the public mission of credit unions.

(4) Credit unions, unlike many other participants in the financial services market, are exempt from Federal and most State taxes because they are member-owned, democratically operated, not-for-profit organizations generally managed by volunteer boards of directors and because they have the specified mission of meeting the credit and savings needs of consumers, especially persons of modest means.

(5) Improved credit union safety and soundness provisions will enhance the public benefit that citizens receive from these cooperative financial services institutions.

TITLE I—CREDIT UNION MEMBERSHIP

SEC. 101. FIELDS OF MEMBERSHIP.

Section 109 of the Federal Credit Union Act (12 U.S.C. 1759) is amended—

(1) in the first sentence—

(A) by striking “Federal credit union membership shall consist of” and inserting “(a) IN GENERAL.—Subject to subsection (b), Federal credit union membership shall consist of”; and

(B) by striking “, except that” and all that follows through “rural district”; and

(2) by adding at the end the following new subsections:

“(b) MEMBERSHIP FIELD.—Subject to the other provisions of this section, the membership of any Federal credit union shall be limited to the membership described in one of the following categories:

“(1) SINGLE COMMON-BOND CREDIT UNION.—One group that has a common bond of occupation or association.

“(2) MULTIPLE COMMON-BOND CREDIT UNION.—More than one group—

“(A) each of which has (within the group) a common bond of occupation or association; and

H. R. 1151—3

“(B) the number of members, each of which (at the time the group is first included within the field of membership of a credit union described in this paragraph) does not exceed any numerical limitation applicable under subsection (d).

“(3) COMMUNITY CREDIT UNION.—Persons or organizations within a well-defined local community, neighborhood, or rural district.

“(c) EXCEPTIONS.—

“(1) GRANDFATHERED MEMBERS AND GROUPS.—

“(A) IN GENERAL.—Notwithstanding subsection (b)—

“(i) any person or organization that is a member of any Federal credit union as of the date of enactment of the Credit Union Membership Access Act may remain a member of the credit union after that date of enactment; and

“(ii) a member of any group whose members constituted a portion of the membership of any Federal credit union as of that date of enactment shall continue to be eligible to become a member of that credit union, by virtue of membership in that group, after that date of enactment.

“(B) SUCCESSORS.—If the common bond of any group referred to in subparagraph (A) is defined by any particular organization or business entity, subparagraph (A) shall continue to apply with respect to any successor to the organization or entity.

“(2) EXCEPTION FOR UNDERSERVED AREAS.—Notwithstanding subsection (b), in the case of a Federal credit union, the field of membership category of which is described in subsection (b)(2), the Board may allow the membership of the credit union to include any person or organization within a local community, neighborhood, or rural district if—

“(A) the Board determines that the local community, neighborhood, or rural district—

“(i) is an ‘investment area’, as defined in section 103(16) of the Community Development Banking and Financial Institutions Act of 1994 (12 U.S.C. 4703(16)), and meets such additional requirements as the Board may impose; and

“(ii) is underserved, based on data of the Board and the Federal banking agencies (as defined in section 3 of the Federal Deposit Insurance Act), by other depository institutions (as defined in section 19(b)(1)(A) of the Federal Reserve Act); and

“(B) the credit union establishes and maintains an office or facility in the local community, neighborhood, or rural district at which credit union services are available.

“(d) MULTIPLE COMMON-BOND CREDIT UNION GROUP REQUIREMENTS.—

“(1) NUMERICAL LIMITATION.—Except as provided in paragraph (2), only a group with fewer than 3,000 members shall be eligible to be included in the field of membership category of a credit union described in subsection (b)(2).

H. R. 1151—4

“(2) EXCEPTIONS.—In the case of any Federal credit union, the field of membership category of which is described in subsection (b)(2), the numerical limitation in paragraph (1) of this subsection shall not apply with respect to—

“(A) any group that the Board determines, in writing and in accordance with the guidelines and regulations issued under paragraph (3), could not feasibly or reasonably establish a new single common-bond credit union, the field of membership category of which is described in subsection (b)(1) because—

“(i) the group lacks sufficient volunteer and other resources to support the efficient and effective operation of a credit union;

“(ii) the group does not meet the criteria that the Board has determined to be important for the likelihood of success in establishing and managing a new credit union, including demographic characteristics such as geographical location of members, diversity of ages and income levels, and other factors that may affect the financial viability and stability of a credit union; or

“(iii) the group would be unlikely to operate a safe and sound credit union;

“(B) any group transferred from another credit union—

“(i) in connection with a merger or consolidation recommended by the Board or any appropriate State credit union supervisor based on safety and soundness concerns with respect to that other credit union; or

“(ii) by the Board in the Board’s capacity as conservator or liquidating agent with respect to that other credit union; or

“(C) any group transferred in connection with a voluntary merger, having received conditional approval by the Administration of the merger application prior to October 25, 1996, but not having consummated the merger prior to October 25, 1996, if the merger is consummated not later than 180 days after the date of enactment of the Credit Union Membership Access Act.

“(3) REGULATIONS AND GUIDELINES.—The Board shall issue guidelines or regulations, after notice and opportunity for comment, setting forth the criteria that the Board will apply in determining under this subsection whether or not an additional group may be included within the field of membership category of an existing credit union described in subsection (b)(2).

“(e) ADDITIONAL MEMBERSHIP ELIGIBILITY PROVISIONS.—

“(1) MEMBERSHIP ELIGIBILITY LIMITED TO IMMEDIATE FAMILY OR HOUSEHOLD MEMBERS.—No individual shall be eligible for membership in a credit union on the basis of the relationship of the individual to another person who is eligible for membership in the credit union, unless the individual is a member of the immediate family or household (as those terms are defined by the Board, by regulation) of the other person.

“(2) RETENTION OF MEMBERSHIP.—Except as provided in section 118, once a person becomes a member of a credit union in accordance with this title, that person or organization may remain a member of that credit union until the person or

organization chooses to withdraw from the membership of the credit union.”.

SEC. 102. CRITERIA FOR APPROVAL OF EXPANSION OF MEMBERSHIP OF MULTIPLE COMMON-BOND CREDIT UNIONS.

Section 109 of the Federal Credit Union Act (12 U.S.C. 1759) is amended by adding at the end the following new subsection:

“(f) CRITERIA FOR APPROVAL OF EXPANSION OF MULTIPLE COMMON-BOND CREDIT UNIONS.—

“(1) IN GENERAL.—The Board shall—

“(A) encourage the formation of separately chartered credit unions instead of approving an application to include an additional group within the field of membership of an existing credit union whenever practicable and consistent with reasonable standards for the safe and sound operation of the credit union; and

“(B) if the formation of a separate credit union by the group is not practicable or consistent with the standards referred to in subparagraph (A), require the inclusion of the group in the field of membership of a credit union that is within reasonable proximity to the location of the group whenever practicable and consistent with reasonable standards for the safe and sound operation of the credit union.

“(2) APPROVAL CRITERIA.—The Board may not approve any application by a Federal credit union, the field of membership category of which is described in subsection (b)(2) to include any additional group within the field of membership of the credit union (or an application by a Federal credit union described in subsection (b)(1) to include an additional group and become a credit union described in subsection (b)(2)), unless the Board determines, in writing, that—

“(A) the credit union has not engaged in any unsafe or unsound practice (as defined in section 206(b)) that is material during the 1-year period preceding the date of filing of the application;

“(B) the credit union is adequately capitalized;

“(C) the credit union has the administrative capability to serve the proposed membership group and the financial resources to meet the need for additional staff and assets to serve the new membership group;

“(D) any potential harm that the expansion of the field of membership of the credit union may have on any other insured credit union and its members is clearly outweighed in the public interest by the probable beneficial effect of the expansion in meeting the convenience and needs of the members of the group proposed to be included in the field of membership; and

“(E) the credit union has met such additional requirements as the Board may prescribe, by regulation.”.

SEC. 103. GEOGRAPHICAL GUIDELINES FOR COMMUNITY CREDIT UNIONS.

Section 109 of the Federal Credit Union Act (12 U.S.C. 1759) is amended by adding at the end the following new subsection:

“(g) REGULATIONS REQUIRED FOR COMMUNITY CREDIT UNIONS.—

H. R. 1151—6

“(1) DEFINITION OF WELL-DEFINED LOCAL COMMUNITY, NEIGHBORHOOD, OR RURAL DISTRICT.—The Board shall prescribe, by regulation, a definition for the term ‘well-defined local community, neighborhood, or rural district’ for purposes of—

“(A) making any determination with regard to the field of membership of a credit union described in subsection (b)(3); and

“(B) establishing the criteria applicable with respect to any such determination.

“(2) SCOPE OF APPLICATION.—The definition prescribed by the Board under paragraph (1) shall apply with respect to any application to form a new credit union, or to alter or expand the field of membership of an existing credit union, that is filed with the Board after the date of enactment of the Credit Union Membership Access Act.”.

“(iii) DE MINIMUS EXCEPTION.—This subparagraph shall not apply to any insured credit union, the total assets of which are less than \$10,000,000, unless prescribed by the Board or an appropriate State credit union supervisor.

“(D) LARGE CREDIT UNION AUDIT REQUIREMENT.—

“(i) IN GENERAL.—Each insured credit union having total assets of \$500,000,000 or more shall have an annual independent audit of the financial statements of the credit union, performed in accordance with generally accepted auditing standards by an independent certified public accountant or public accountant licensed by the appropriate State or jurisdiction to perform those services.

“(ii) VOLUNTARY AUDITS.—If a Federal credit union that is not required to conduct an audit under clause (i), and that has total assets of more than \$10,000,000 conducts such an audit for any purpose, using an independent auditor who is compensated for his or

her audit services with respect to that audit, the audit shall be performed consistent with the accountancy laws of the appropriate State or jurisdiction, including licensing requirements.”

(b) TECHNICAL AND CONFORMING AMENDMENT.—Section 202(a)(6)(B) of the Federal Credit Union Act (12 U.S.C. 1782(a)(6)(B)) is amended by striking “subparagraph (A)” and inserting “subparagraph (A) or (D)”.

“(A) IN GENERAL.—Notwithstanding paragraph (1), an insured credit union may convert to a mutual savings bank or savings association (if the savings association is in mutual form), as those terms are defined in section 3 of the Federal Deposit Insurance Act, without the prior approval of the Board, subject to the requirements and procedures set forth in the laws and regulations governing mutual savings banks and savings associations.

“(B) CONVERSION PROPOSAL.—A proposal for a conversion described in subparagraph (A) shall first be approved, and a date set for a vote thereon by the members (either at a meeting to be held on that date or by written ballot to be filed on or before that date), by a majority of the directors of the insured credit union. Approval of the proposal for conversion shall be by the affirmative vote of a majority of the members of the insured credit union who vote on the proposal.

“(ii) SENIOR MANAGEMENT OFFICIAL.—For purposes of this subparagraph, the term ‘senior management official’ means a chief executive officer, an assistant chief executive officer, a chief financial officer, and any other senior executive officer (as defined by the appropriate Federal banking agency pursuant to section 32 (f) of the Federal Deposit Insurance Act).

“(G) CONSISTENT RULES.—

“(i) IN GENERAL.—Not later than 6 months after the date of enactment of the Credit Union Membership Access Act, the Administration shall promulgate final rules applicable to charter conversions described in this paragraph that are consistent with rules promulgated by other financial regulators, including the Office of Thrift Supervision and the Office of the Comptroller of the Currency. The rules required by this clause shall provide that charter conversion by an insured credit union shall be subject to regulation that is no more or less restrictive than that applicable to charter conversions by other financial institutions.

“(ii) OVERSIGHT OF MEMBER VOTE.—The member vote concerning charter conversion under this paragraph shall be administered by the Administration, and shall be verified by the Federal or State regulatory agency that would have jurisdiction over the institution after the conversion. If either the Administration or that regulatory agency disapproves of the methods by which the member vote was taken or procedures applicable to the member vote, the member vote shall be taken again, as directed by the Administration or the agency.”

(E) whether insured credit unions that engage in member business lending have a competitive advantage over other insured depository institutions, and if any such advantage could affect the viability and profitability of such other insured depository institutions; and

“SEC. 216. PROMPT CORRECTIVE ACTION.

“(a) RESOLVING PROBLEMS TO PROTECT FUND.—

“(1) PURPOSE.—The purpose of this section is to resolve the problems of insured credit unions at the least possible long-term loss to the Fund.

“(2) PROMPT CORRECTIVE ACTION REQUIRED.—The Board shall carry out the purpose of this section by taking prompt corrective action to resolve the problems of insured credit unions.

“(b) REGULATIONS REQUIRED.—

“(1) INSURED CREDIT UNIONS.—

“(A) IN GENERAL.—The Board shall, by regulation, prescribe a system of prompt corrective action for insured credit unions that is—

“(i) consistent with this section; and

“(ii) comparable to section 38 of the Federal Deposit Insurance Act.

“(B) COOPERATIVE CHARACTER OF CREDIT UNIONS.—The Board shall design the system required under subparagraph (A) to take into account that credit unions are not-for-profit cooperatives that—

“(i) do not issue capital stock;

“(ii) must rely on retained earnings to build net worth; and

“(iii) have boards of directors that consist primarily of volunteers.

H. R. 1151—12

“(2) NEW CREDIT UNIONS.—

“(A) IN GENERAL.—In addition to regulations under paragraph (1), the Board shall, by regulation, prescribe a system of prompt corrective action that shall apply to new credit unions in lieu of this section and the regulations prescribed under paragraph (1).

“(B) CRITERIA FOR ALTERNATIVE SYSTEM.—The Board shall design the system prescribed under subparagraph (A)—

“(i) to carry out the purpose of this section;

“(ii) to recognize that credit unions (as cooperatives that do not issue capital stock) initially have no net worth, and give new credit unions reasonable time to accumulate net worth;

“(iii) to create adequate incentives for new credit unions to become adequately capitalized by the time that they either—

“(I) have been in operation for more than 10 years; or

“(II) have more than \$10,000,000 in total assets;

“(iv) to impose appropriate restrictions and requirements on new credit unions that do not make sufficient progress toward becoming adequately capitalized; and

“(v) to prevent evasion of the purpose of this section.

“(c) NET WORTH CATEGORIES.—

“(1) IN GENERAL.—For purposes of this section the following definitions shall apply:

“(A) WELL CAPITALIZED.—An insured credit union is ‘well capitalized’ if—

“(i) it has a net worth ratio of not less than 7 percent; and

“(ii) it meets any applicable risk-based net worth requirement under subsection (d).

“(B) ADEQUATELY CAPITALIZED.—An insured credit union is ‘adequately capitalized’ if—

“(i) it has a net worth ratio of not less than 6 percent; and

“(ii) it meets any applicable risk-based net worth requirement under subsection (d).

“(C) UNDERCAPITALIZED.—An insured credit union is ‘undercapitalized’ if—

“(i) it has a net worth ratio of less than 6 percent;

or

“(ii) it fails to meet any applicable risk-based net worth requirement under subsection (d).

“(D) SIGNIFICANTLY UNDERCAPITALIZED.—An insured credit union is ‘significantly undercapitalized’—

“(i) if it has a net worth ratio of less than 4 percent; or

“(ii) if—

“(I) it has a net worth ratio of less than 5 percent; and

“(II) it—

“(aa) fails to submit an acceptable net worth restoration plan within the time allowed under subsection (f); or

“(bb) materially fails to implement a net worth restoration plan accepted by the Board.

“(E) CRITICALLY UNDERCAPITALIZED.—An insured credit union is ‘critically undercapitalized’ if it has a net worth ratio of less than 2 percent (or such higher net worth ratio, not to exceed 3 percent, as the Board may specify by regulation).

“(2) ADJUSTING NET WORTH LEVELS.—

“(A) IN GENERAL.—If, for purposes of section 38(c) of the Federal Deposit Insurance Act, the Federal banking agencies increase or decrease the required minimum level for the leverage limit (as those terms are used in section 38), the Board may, by regulation, and subject to subparagraph (B) of this paragraph, correspondingly increase or decrease 1 or more of the net worth ratios specified in subparagraphs (A) through (D) of paragraph (1) of this subsection in an amount that is equal to not more than the difference between the required minimum level most recently established by the Federal banking agencies and 4 percent of total assets (with respect to institutions regulated by those agencies).

“(B) DETERMINATIONS REQUIRED.—The Board may increase or decrease net worth ratios under subparagraph (A) only if the Board—

“(i) determines, in consultation with the Federal banking agencies, that the reason for the increase or decrease in the required minimum level for the leverage limit also justifies the adjustment in net worth ratios; and

“(ii) determines that the resulting net worth ratios are sufficient to carry out the purpose of this section.

“(C) TRANSITION PERIOD REQUIRED.—If the Board increases any net worth ratio under this paragraph, the Board shall give insured credit unions a reasonable period of time to meet the increased ratio.

“(d) RISK-BASED NET WORTH REQUIREMENT FOR COMPLEX CREDIT UNIONS.—

“(1) IN GENERAL.—The regulations required under subsection (b)(1) shall include a risk-based net worth requirement for insured credit unions that are complex, as defined by the Board based on the portfolios of assets and liabilities of credit unions.

“(2) STANDARD.—The Board shall design the risk-based net worth requirement to take account of any material risks against which the net worth ratio required for an insured credit union to be adequately capitalized may not provide adequate protection.

“(e) EARNINGS-RETENTION REQUIREMENT APPLICABLE TO CREDIT UNIONS THAT ARE NOT WELL CAPITALIZED.—

“(1) IN GENERAL.—An insured credit union that is not well capitalized shall annually set aside as net worth an amount equal to not less than 0.4 percent of its total assets.

“(2) BOARD’S AUTHORITY TO DECREASE EARNINGS-RETENTION REQUIREMENT.—

“(A) IN GENERAL.—The Board may, by order, decrease the 0.4 percent requirement in paragraph (1) with respect to a credit union to the extent that the Board determines that the decrease—

“(i) is necessary to avoid a significant redemption of shares; and

“(ii) would further the purpose of this section.

“(B) PERIODIC REVIEW REQUIRED.—The Board shall periodically review any order issued under subparagraph (A).

“(f) NET WORTH RESTORATION PLAN REQUIRED.—

“(1) IN GENERAL.—Each insured credit union that is undercapitalized shall submit an acceptable net worth restoration plan to the Board within the time allowed under this subsection.

“(2) ASSISTANCE TO SMALL CREDIT UNIONS.—The Board (or the staff of the Board) shall, upon timely request by an insured credit union with total assets of less than \$10,000,000, and subject to such regulations or guidelines as the Board may prescribe, assist that credit union in preparing a net worth restoration plan.

“(3) DEADLINES FOR SUBMISSION AND REVIEW OF PLANS.—The Board shall, by regulation, establish deadlines for submission of net worth restoration plans under this subsection that—

“(A) provide insured credit unions with reasonable time to submit net worth restoration plans; and

“(B) require the Board to act on net worth restoration plans expeditiously.

“(4) FAILURE TO SUBMIT ACCEPTABLE PLAN WITHIN TIME ALLOWED.—

“(A) FAILURE TO SUBMIT ANY PLAN.—If an insured credit union fails to submit a net worth restoration plan within the time allowed under paragraph (3), the Board shall—

“(i) promptly notify the credit union of that failure; and

“(ii) give the credit union a reasonable opportunity to submit a net worth restoration plan.

“(B) SUBMISSION OF UNACCEPTABLE PLAN.—If an insured credit union submits a net worth restoration plan within the time allowed under paragraph (3), and the Board determines that the plan is not acceptable, the Board shall—

“(i) promptly notify the credit union of why the plan is not acceptable; and

“(ii) give the credit union a reasonable opportunity to submit a revised plan.

“(g) RESTRICTIONS ON UNDERCAPITALIZED CREDIT UNIONS.—

“(1) RESTRICTION ON ASSET GROWTH.—An insured credit union that is undercapitalized shall not generally permit its average total assets to increase, unless—

“(A) the Board has accepted the net worth restoration plan of the credit union for that action;

“(C) the net worth ratio of the credit union increases at a rate that is consistent with the net worth restoration plan.

“(2) RESTRICTION ON MEMBER BUSINESS LOANS.—Notwithstanding section 107A(a), an insured credit union that is undercapitalized may not make any increase in the total amount of member business loans (as defined in section 107A(c)) outstanding at that credit union at any one time, until such time as the credit union becomes adequately capitalized.

“(h) MORE STRINGENT TREATMENT BASED ON OTHER SUPERVISORY CRITERIA.—With respect to the exercise of authority by the Board under regulations comparable to section 38(g) of the Federal Deposit Insurance Act—

“(2) PERIODIC REDETERMINATIONS REQUIRED.—Any determination by the Board under paragraph (1)(B) to take any action with respect to an insured credit union in lieu of appointing a conservator or liquidating agent shall cease to be effective not later than the end of the 180-day period beginning on the date on which the determination is made, and a conservator or liquidating agent shall be appointed for that credit union under paragraph (1)(A), unless the Board makes a new determination under paragraph (1)(B) before the end of the effective period of the prior determination.

“(3) APPOINTMENT OF LIQUIDATING AGENT REQUIRED IF OTHER ACTION FAILS TO RESTORE NET WORTH.—

“(A) IN GENERAL.—Notwithstanding paragraphs (1) and (2), the Board shall appoint a liquidating agent for an insured credit union if the credit union is critically undercapitalized on average during the calendar quarter beginning 18 months after the date on which the credit union became critically undercapitalized.

“(ii) the Board certifies that the credit union is viable and not expected to fail.

“(j) REVIEW REQUIRED WHEN FUND INCURS MATERIAL LOSS.—For purposes of determining whether the Fund has incurred a material loss with respect to an insured credit union (such that the inspector general of the Board must make a report), a loss is material if it exceeds the sum of—

“(i) a written statement of the reasons for the proposed action; and

“(ii) reasonable time to respond to that statement;

“(C) if the official referred to in subparagraph (A) makes a timely written response that disagrees with the proposed action and gives reasons for that disagreement, the Board shall not appoint a conservator or liquidating agent for the credit union, unless the Board, after considering the views of the official, has determined that—

“(i) the Fund faces a significant risk of loss with respect to the credit union if a conservator or liquidating agent is not appointed; and

“(ii) the appointment is necessary to reduce—

“(I) the risk that the Fund would incur a loss with respect to the credit union; or

“(II) any loss that the Fund is expected to incur with respect to the credit union; and

“(D) the Board may not delegate any determination under subparagraph (C).
